Alliant 2

GSA's Next Generation GWAC

Overview

Alliant 2, GSA's premier enterprise GWAC, provides flexible access to customized IT solutions from a large, diverse pool of industry partners that include a \$50 Billion program ceiling and a five-year base period with one five-year option. The scope of the Alliant GWAC includes any and all components of an integrated Information Technology (IT) solution, including all current and any new technologies which may emerge during the life cycle of the Contract, and IT systems and services in support of National Security Systems, as defined in FAR 39.002.

Support Areas

The primary Alliant 2 support areas include:

- Service platform and infrastructure
- Component framework
- Service interface and integration
- Customer service
- Process automation
- Business management
- Business asset services
- Business analytical services
- Back office services
- Support services (security, systems, and forms management, communications)
- DoDEA mission area support
- Controls and oversight
- Risk management and mitigation
- Regulatory development
- Planning and resource allocation
- System and network controls
